

**Terms of Reference**  
**Senior Consultant – Quality & Patient Safety (RRC-NE)**

Name of Cluster	Quality & Patient Safety, RRC-NE
Reporting to	Director, RRC-NE, Guwahati, Assam
Name of Position	Senior Consultant, Quality & Patient Safety
Number of Position	One
Location	RRC-NE Office, Guwahati

NHSRC is seeking applications from eligible candidates for the position of Senior Consultant, Quality & Patient Safety for its branch office – Regional Resource Centre for Northeastern States (RRC-NE) at Guwahati, Assam.

**1. Background**

National Health Mission (NHM) is the umbrella program of the Ministry of Health and Family Welfare, Government of India to ensure provisioning of universal health coverage for providing access to equitable, affordable and quality health care services which is accountable and at the same time responsive to the needs of the people. The Mission also aims for reduction of children and maternal mortality as well as population stabilization, gender and demographic balance.

National Health Systems Resource Centre (NHSRC) is a technical support organization under the National Health Mission, Ministry of Health & Family Welfare. NHSRC channelizes required technical assistance for the MoHFW and the States for various tasks. Such requirements are dynamic in nature. For meeting the specific needs of eight NE States, Regional Resource Centre – NE (RRC-NE) at Guwahati functions as branch office of NHSRC. The team at RRC-NE is headed by the Director with technical teams for each area.

Work at the NHSRC/RRC-NE is organized around seven divisions, namely – Community Processes & Comprehensive Primary Care, Healthcare Financing, Healthcare Technology, Human Resources for Health, Public Health Planning, Public Health Administration and Quality & Patient Safety.

For improving Quality of care of services, delivered at the public health facilities, National Quality Assurance Standards were developed under the National Health Mission. For this initiative, NHSRC performs task of the secretariat on behalf of the Ministry of Health & Family Welfare. In the year 2013, QA Operational Guidelines and Quality Standards for District Hospitals were launched by the Ministry of Health & Family Welfare. This was followed by development and launch of Quality Standards for Community Health Centres (CHCs) and Primary Health Centres (PHCs), followed by Quality Standards for Urban PHCs and HWCs in the subsequent years. There is an explicit system of measurement of extent of compliance against each of the National Quality Assurance Standard (NQAS). Each Quality standard has measurable elements and checkpoints.

For implementation of the NQAS, substantial efforts are undertaken for building capacity of the states to understand the nuances of each quality standards, followed by hand-holding support through state quality assurance committee and district quality assurance committees.

The QPS cluster at RRC NE also supports the states in implementation of Mera-Aspataal (ICT based Patient feedback system) Kayakalp Initiative and LaQshya.

For supporting above mentioned tasks, RRC NE intends to induct a Senior Consultant (Quality & Patient Safety) at its Guwahati office. The incumbent is expected to have good health-quality background and excellent communication skills.

**Support to the NE States, at times difficult locations, require extensive travel to the states, which may be about half of the total time.**

**Location: Guwahati with requirement of extensive travel**

## **2. Objective**

As Senior Consultant, Quality & Patient Safety at Regional level, the objective is to strengthen and support the Quality & Patient Safety activities in the Northeast States.

- a. To provide technical assistance and capacity building support to the NE States for strengthening the Public Health System.
- b. To support the implementation of National Quality Assurance Program at different levels of Public health facilities.
- c. Liasoning with the States for improving Quality of Care in Public Health System and improved Patient Satisfaction.

## **3. Scope of Work**

### **i) Key Responsibilities**

The incumbent would be expected to lead the QPS team at RRC-NE and undertake multiple tasks for effective roll out of National Quality Assurance Programme, Kayakalp, LaQshya, and Swachh Swasth and Sarvatra and other related newer initiatives. Trainings and advocacy would be his/her major tasks. Apart from this s/he will help in customization of the check-lists for meeting needs of states in adapting the Quality Standards& its measurement system, conduct of workshops & seminars, assisting the health facilities with gap-closure actions, and facilitating the certification process, as & when required.

The envisaged task for the incumbent is intellectually challenging and stimulating, as none of two situations are same. S/he should be a self-starter and motivated, have capacity to work un-supervised and a team player.

### **ii) Expected role of the incumbent is multi-dimensional and are summarized below:**

- a. Support the states with implementation of National Quality Assurance Standards and other endeavors for improving the Quality of Care at Public Health Facilities primarily, but not limited to, in eight NE states.
